

Fosse Way and Mendip Schools have purchased 10 places in the Bath Half Marathon on 14th March 2021 and would love to invite anyone interested in running and fundraising to join our team. Funds will go to the school you are most closely associated with and will go towards new playground equipment at Fosse Way and the Swimming Pool Appeal at The Mendip School. Runners with their own places are also invited to join the team and fundraise for us.

To secure your place we require a payment of £40 and ask that runners aim to raise £175, this is a requirement from Bath Half Marathon. We will aim for over £2000 as a team but know that some may raise more and others find it more difficult so it will be a team effort. We are able to support you with an online fundraising platform, running vest, sponsorship forms, letters and any other help you may require.

In order to book your place, or let me know you have your own place and would like to run for us, or just for further information please contact Lucy Beattie, the school's fundraiser at lbeattie@themendipschool.com, or lbeattie@fossewayschool.com or call 07789934105. Please let me have your name, school you would like to support, email and a contact number.

We will have the opportunity to purchase family fun run (1 mile) places and to be part of the cheering squad nearer the time so everyone will have the opportunity to be part of the day if they would like to.
