# Sycamore Class 2026 – 2027 Learning Overview

The Mendip School

## Maths

### Place Value, Addition, Subtraction

Pupils will develop their understanding of place value and how numbers are made up of hundreds, tens and ones. They will also practise addition and subtraction using practical resources and real-life examples.

## Talk 4 Writing

### *The Full Stop That Got Away*

Pupils will explore and retell The Full Stop That Got Away using actions, pictures and visual prompts. They will develop their vocabulary, communication, sentence building and understanding of punctuation.

## History

### Anglo-Saxons and Vikings

Pupils will learn about the Anglo-Saxons and Vikings and what life was like during this period. They will explore homes, food, clothing, jobs and important events through practical and engaging activities.

## Science – Habitats and Environmental Factors

Pupils will explore different habitats and the plants and animals that live there. They will learn about what living things need to survive and how environmental factors can affect them.

## DT – Woodwork: Minibeast Hotels

Pupils will develop their practical woodwork skills by designing and making a minibeast hotel. They will learn to use tools safely and consider how their designs can provide a suitable habitat for minibeasts.
